

PAS.net Publisher

PAS.net is the world's largest online poker affiliate network. Currently we are servicing over **9,000** affiliate marketers and more than **1,100,000** of their referred players. We allow affiliates to streamline their marketing efforts through our systems to effectively and efficiently monetize their traffic. As the industry leader, we understand the day-to-day grind in promoting iGaming Operators and offer a one-stop-shop to our Publishers.

PAS.net has a designated team of programmers, designers, and affiliate support personnel who optimize our systems continuously to drive your success.

Working exclusively as a Publisher on our network will give you access to both U.S. and International operators with immediate exposure and promotion of their offers. These offers include rakeback, revenue share, and cost per action.
